Documentation for Iron. - Creative Arcitecture & Interior PSD Template

Hi, First thank you for purchasing this template. I am writing brief details about my thought of interaction and all about this template.

I have designed this template with 22 pages with 2 different color version. All these are

WHITE VERSION

1. Home 1
2. About Us
3. Service
4. Service Version 2
5. Project
6. Project Version 2
7. Project Details
8. Team
9. Blog
10. Blog Details
11. Contact us

DARK VERSION

1. Home 1
2. About Us
3. Service
4. Service Version 2
5. Project
6. Project Version 2
7. Project Details
8. Team
9. Blog
10. Blog Details
11. Contact us

1. All Homepages:

All Homepages have some common and major concepts. I have shown here services, projects, features and team members. All those interactions are shown in mouse hover state.

2. About Us:

I have put this for company information. Anyone can use there company information with some major data about company

4, 5. Service :

All kind of service with short/long info will be in this page

5, 6, 7. Projects:

Here is 2 version stylw of gallery, You can put your company archive in the gallery and also can use for it for create a image showcase.

8. Team:

Here iwll be the list of company member/worker profile.

9, 10. Blog:

Here will will be blog/recent of company

11. Contact Us:

This is a simple cntact us page. USer can contact with conpany to send message from here.

Fonts and Typography

All fonts I have used here are free google font & a Premium Font. Below all these name and links.

1. Montserrat Google font (<https://fonts.google.com/specimen/Montserrat>)
2. Proxima Nova font (<http://www.megafontbundle.com/downloads/proxima-nova/>)

Images

All Icons and images are from different sources. I am giving all these links here.
